

API::Concat::getType

```
graph LR; A[API::Concat::getType] --> B[ScribbleCore::TypeManager::getType]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is light gray with a black border and contains the text 'API::Concat::getType'. The right box is white with a black border and contains the text 'ScribbleCore::TypeManager::getType'. A blue arrow points from the right side of the left box to the left side of the right box.

ScribbleCore::TypeManager
::getType
