

API::Function

```
graph BT; A[API::Function] --> B[API::Float32FromInt];
```

The diagram illustrates an inheritance relationship. At the top is a white rectangular box with a black border containing the text 'API::Function'. Below it is a gray rectangular box with a black border containing the text 'API::Float32FromInt'. A blue arrow points vertically from the top center of the gray box to the bottom center of the white box, indicating that 'API::Float32FromInt' inherits from 'API::Function'.

API::Float32FromInt
